

**Scholarship Opportunity for Civil Engineering,
Construction Management & Construction Systems
Sophomores, Juniors, & Seniors from the Nebraska Chapter of
the American Public Works Association (APWA)**

The Nebraska Chapter of the APWA will award a \$1,500 scholarship to an eligible student. The scholarship recipient will be decided by the APWA based upon the quality of the applications.

Eligibility Requirements:

1. Candidates must be enrolled as full-time undergraduate students in any of the following:
 - a. Department of Civil Engineering, College of Engineering and Technology, UNL Lincoln or Omaha campus.
 - b. Department of Construction Management, College of Engineering and Technology, UNL.
 - c. Department of Construction Systems Technology, College of Engineering and Technology, (Omaha campus) UNL.
2. Candidates shall have sophomore class standing or above in the fall semester of 2008.

APWA Scholarship application forms are available in the departmental offices, the College of Engineering Dean's Offices and on-line at the Nebraska Local Technical Assistance Program web site: <http://www.ne-ltap.unl.edu>

All applications must be submitted to the Dean's offices by the close of business on May 7, 2010. The recipient will be notified by mail before July 1, 2010. The recipient of the APWA Scholarship will receive a one year complimentary membership in the APWA.
